

About the BBA Program:

The Bachelor's Degree in Business Administration (BBA) International Program is a four-year undergraduate course offering students a choice of three majors: Accounting, Finance, and Marketing. The program is dedicated to shaping a new generation of globally prepared managers equipped for international business challenges. Established in 1990, the program was a pioneer in Thailand, introducing an exchange program that allows students to study abroad and transfer credits back to Thammasat. With a focus on high standards of international business education, BBA Thammasat provides students and faculty the opportunity to explore business management and accounting through internationally recognized case studies.

About Thammasat Business School (TBS):

Thammasat Business School (TBS) is committed to excellence in accounting and business education, with a goal to develop ASEAN's future business leaders who will drive sustainable change. TBS proudly holds the prestigious Triple Crown accreditation, becoming the first institution in Thailand to achieve this distinction for its international standard in business management and accounting curricula. This accreditation includes AACSB (Association to Advance Collegiate Schools of Business) from the United States, EQUIS (European Quality Improvement System) from Belgium, and AMBA (Association of MBAs) from the United Kingdom, awarded specifically to MBA programs. Additionally, TBS has been recognized as the top business school in Thailand by the QS World University Rankings in 2025, marking our second consecutive year in this esteemed position.
